Introduces:

Cake Truffles & Cake Pops

by Heavenly Sweets

Heavenly Sweets is proud to introduce its new line of Cake truffles and pops. These delectable, little beauties have a gorgeously fun appearance, but pack all the taste Heavenly Sweets cake is known for. Cake truffles and pops are made from Heavenly Sweets signature cake and frosting, then coated in a delicious candy chocolate. Perfect for parties, showers, weddings, and gifts.

We love our traditional cakes and still offer the best in taste, but we are excited to expand our flavorful offerings with new contemporary trends.
